

"From the time that Himself was dipped in the water, from that time has He washed away all our sins in water. And let none wonder that water, itself corporeal substance, is said to be effectual to the purification of the soul; it is so effectual, reaching to and searching out the hidden recesses of the conscience. Subtle and penetrating in its own nature, made yet more so by Christ's blessing, it touches the hidden springs of life, the secret places of the soul, by virtue of its all-pervading dew."
